ANNIVERSARY

A PERSONAL MESSAGE TO OUR CUSTOMERS

Goshen, Indiana

Dear Friends:

Celebrating our 75th Anniversary with you this year is something we can be very proud indeed to have this opportunity. It has been a great satisfaction to us and an accomplishment to be one who can say we have tried to spread joy and happiness in your garden and home over this long span of years, in growing our Gladiolus and the purchase of our products.

We wish to express our heartfelt thanks to you, our friends and customers for your loyal support, many of you buying from us for as many as 25 years or more.

It is with regret that costs are so terrifically high in doing business that we were forced to keep within a certain figure in the production of our 1955 Catalog as we have had hopes of having something very special for you.

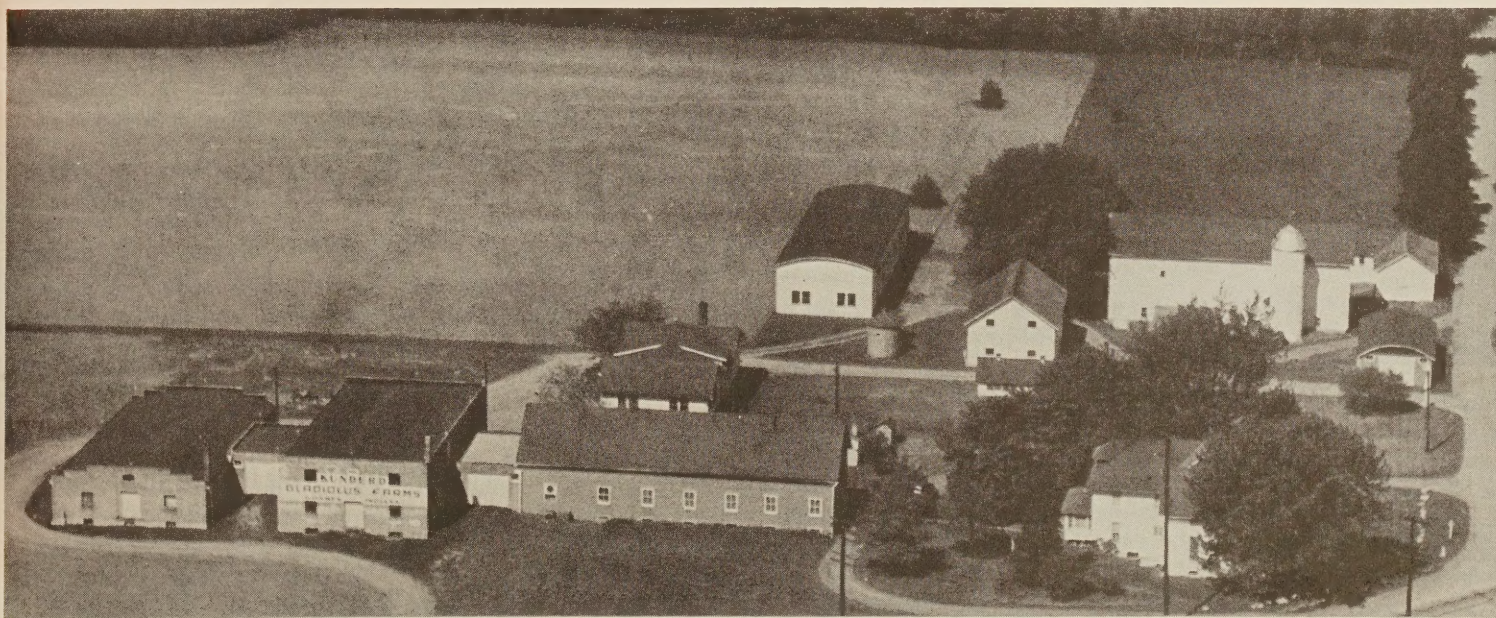

We are listing many new kinds at prices we feel are consistent with the present market passing along to you any changes possible, still keeping up the quality we have had over these many years.

In closing may we say Many Thanks Again.

Sincerely,

KUNDERD GLADIOLUS FARMS
